# Gift Drive

Choose a holiday gift for one of your neighbors in need! You can purchase several small items, or one larger gift. (Parents: we recommend about \$15-\$20 value per gift)

\*Please note gifts are distributed during Eid and Christmas each year.

Make your gift extra special by adding a card with a message of love and hope!

# Diaper Drive

Donate disposable diapers to assist Zaman's mothers and youngest clients in need.

Within our client families, diaper sizes 3 and 4 are most commonly needed.

# Cereal + Milk Money

Cereal drives provide Zaman extra resources to purchase dairy products.

Despite their popularity, dairy products are among the least donated items. For every \$10 donated, food pantries can purchase up to 12 gallons of milk.

# Monetary Drives

Zaman has a larger buying power than normal buyers.

By collecting monetary donations, Zaman can purchase necessary items for any of our programs.

# After Collecting

All donations can be distributed to  
Zaman's Hope For Humanity Center  
26091 Trowbridge St, Inkster, MI 48141
